

### [Visit SRS Crisafulli's Dredge and Pump Library of brochures and videos](#)

We will be introducing a new dredge to our dredge line called the Rotomite 6000C. Subscribe to our [Dredge World News blog](#) and stay tuned for the announcement of the launch of this new abrasion resistant dredge in the coming weeks. The SRS Crisafulli Rotomite 6000C dredge was designed for abrasive solutions and can alternatively also be used for soft applications.

**Without googling...**

We all know some sort of useless trivia fact. Let's see if you know this trivia fact.

All the planets in our solar system rotate anticlockwise, except *this planet*. It is the only planet that rotates clockwise.
